Seasonal reminders about certain ordinances (ex/ sidewalk snow removal)

BEG LEAVE TO SUBMIT THE FOLLOWING REPORT:

The Committee met to discuss ordinances, such as the sidewalk snow removal, and the best way to communicate them and support residents in need. This resulted in an action item to find additional ordinances that would benefit from periodic communication.

This newly-formed committee also discussed the members' vision for the committee. The recurring themes of that conversation were:

- Opportunities for more resident engagement, such as town halls
- Ways to make local government and council meetings more resident-friendly
- An inventory of city communication channels and how to improve them
- Increased transparency about how things work in city government
